Demo classes cover a lot of material and are not hands-on. Students will receive a handout and/or bibliography with all classes.

For classes requiring a device (cell phone, tablet, or laptop) to class, make sure you have all IDs/passwords, especially for an iPhone or iPad.

Additional information, requirements, fees, prerequisites are online: alanbweaver.com/classes.html and at school's website. Dates and/or times are subject to change. To register, call or go to their website. (Sr. Center does not have a website, call to get a catalog/schedule emailed to you)

For further information about any of these classes, call instructor at 203 849-8933

Need specialized training: Individual tutoring available on all above topics, including Photoshop, digital photography, and photo restoration.
